KAM Finds Big Success with Open House and Winter Chill Party

On Thursday, January 22nd, the Kansas Aviation Museum hosted an open house to celebrate recent renovation work and new exhibits. Attendance at the event nearly topped 500 and the event was a great success. Many had the opportunity to see all the exciting changes and improvements to the facility.

Then last Saturday, February 7th, museum staff and board members along with Bonnie Bing of the Wichita Eagle and Stephanie Bergman of KSN were on hand for the 1st Annual Winter Chill Party, re-creating the golden era of comedy radio and playing to a sold-out audience. The event was underwritten by Brad and Carol Murray, owners of Wichita Towers, Kent Audio Visual, KSN, B-98, The Wichita Eagle, PIM Aviation Insurance, Hawker Beechcraft and other sponsors who donated a plethora of lucky draw gifts. Thanks to you all! A great time was had by all and the net proceeds exceeded \$6500 for the night.

Special thanks to the Murray's for their kind and ongoing support of the Kansas Aviation Museum.

The Kansas Aviation Museum is home to early Stearmans and Swallows both complete and under restoration, experimental planes conceived and constructed by Kansans, a KC135, a B-47 under restoration, a children's activity center and much, much more. The museum is open to the public Monday through Saturday 10:00 a.m. to 5:00 p.m. and Sunday 12:00 p.m. to 5:00 p.m.
