True West Magazine says Kansas Aviation Museum One Reason it picked Wichita as one of Top 10 Western Towns

True West magazine has listed Wichita as one of its Top 10 picks for western towns. Becky Tanner of the Wichita Eagle reported on January 23 (retrieved 1/26/09 from <http://www.kansas.com/news/breaking/story/674966.html>), based on our ability to showcase the rich heritage found here. Among the local organizations listed as having had an influence on their decision: the Kansas Aviation Museum.

The Kansas Aviation Museum is dedicated to the preservation of Kansas Aviation History. The collection includes early Stearmans and Swallows both complete and under restoration, experimental planes conceived and constructed by Kansans, a KC135, a B-47 under restoration, a children's activity center and much, much more.

The museum is open to the public Monday through Saturday 10:00 a.m. to 5:00 p.m. and Sunday 12:00 p.m. to 5:00 p.m. Admission is \$7.00 for adults, \$6.00 for those 60 and older, \$5.00 for children ages four to twelve with three and under free. AAA and military discounts available upon request.
